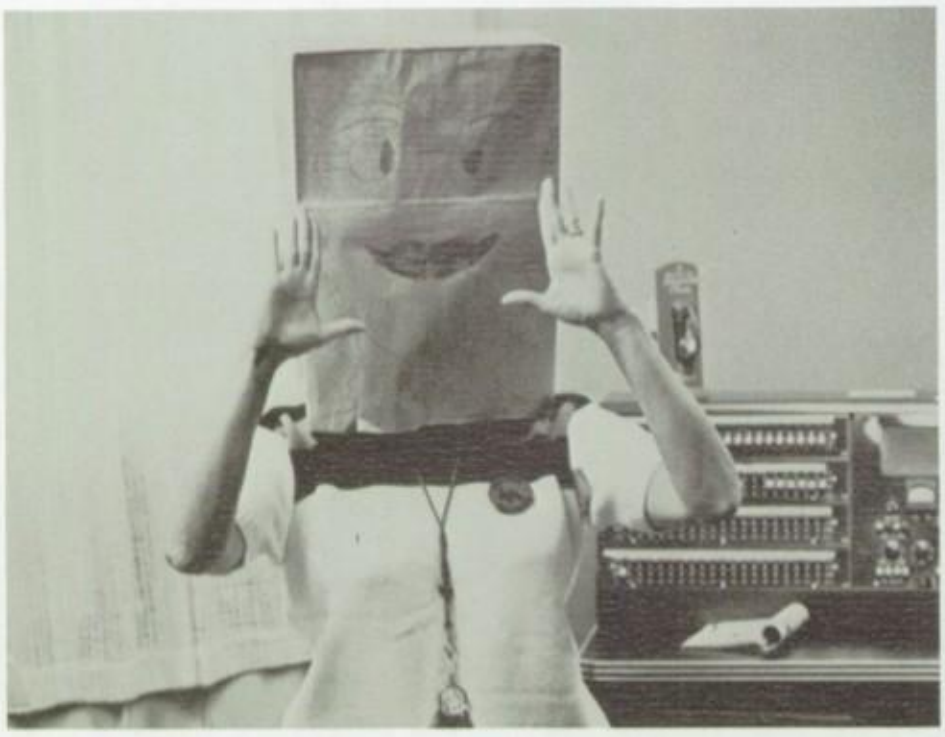
Mr. Howe thinks about summer in Mexico.

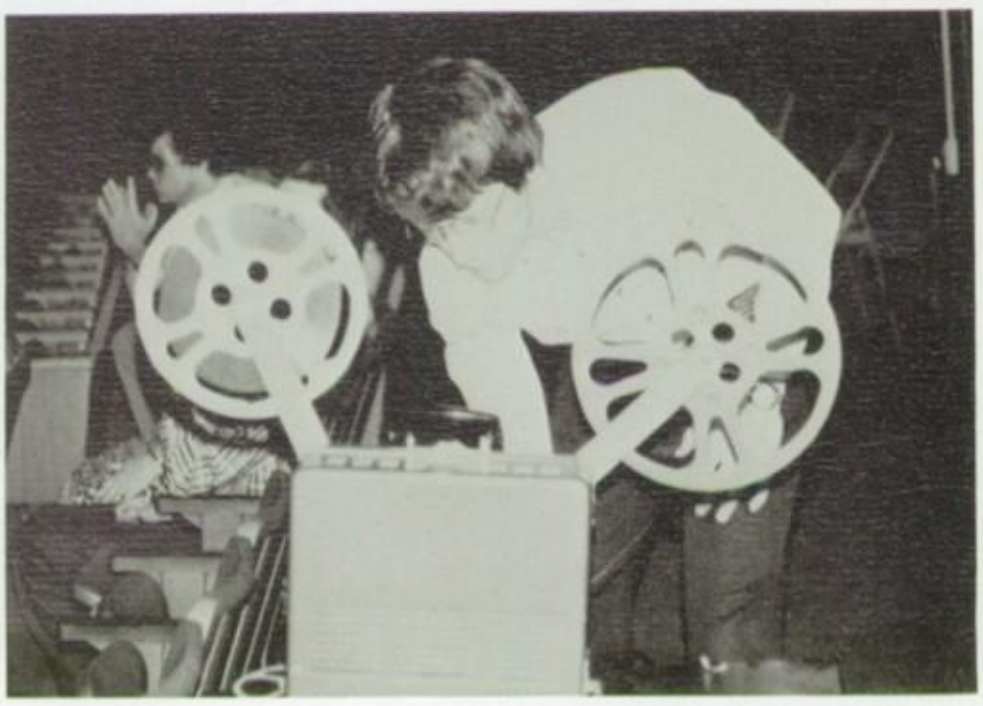
A true gypsy queen!



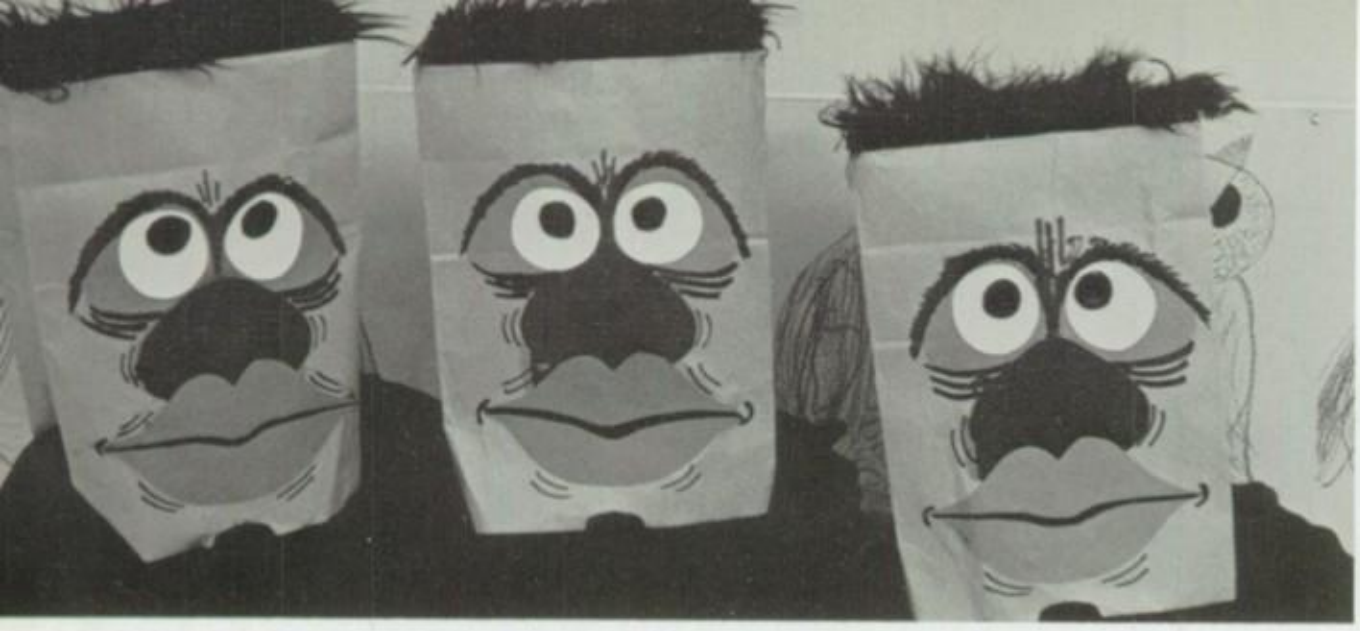
I've heard of an old bag, but this is ridiculous.

A dunce for a teacher?????

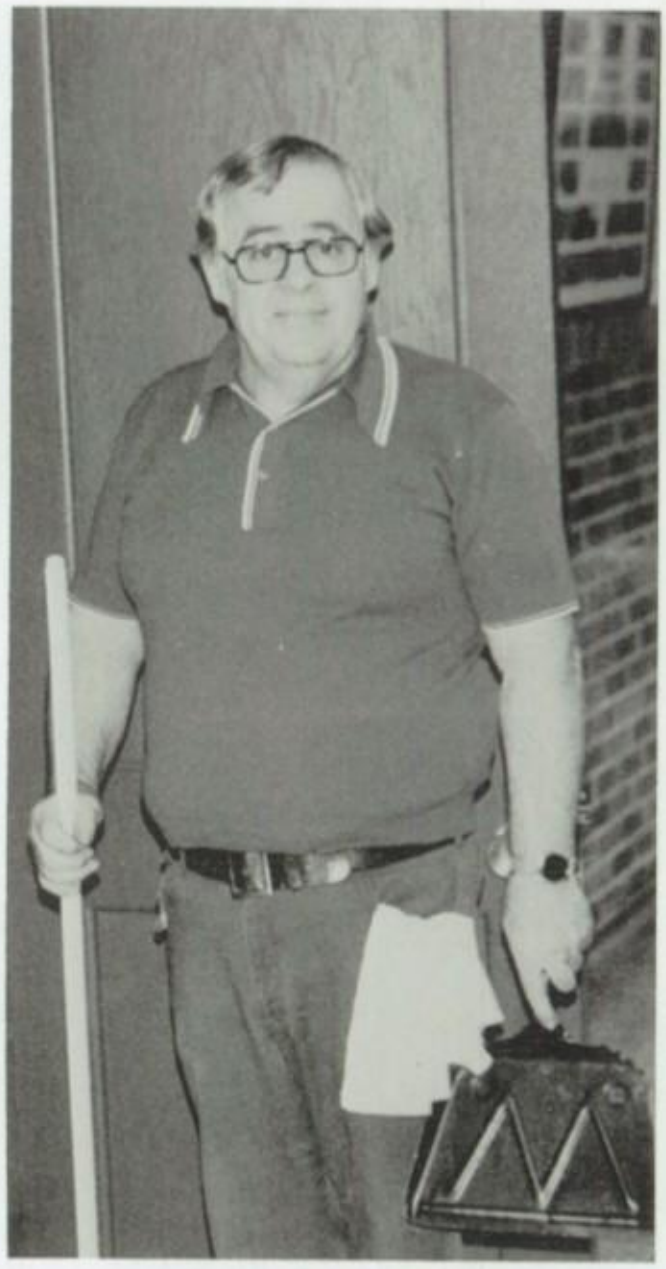
Smile when you say Natoli, partner!

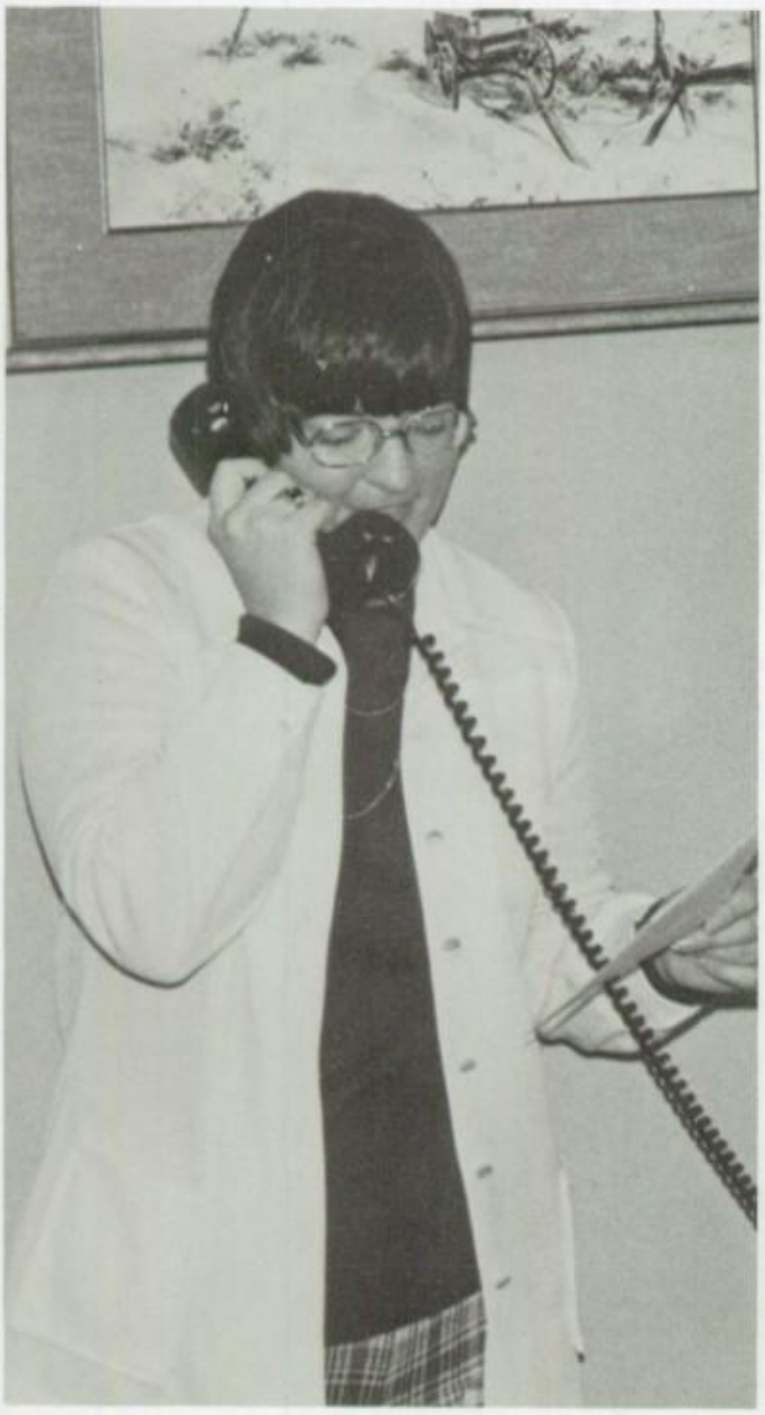


Mr. Haggerty looks over his "reel" life.



I don't see a cookie!





Could it be a wrong number?

Secrets! Secrets!

Mr. Crawford gets a bird's eye view of Hoytville.

# GRADUATION

I finally made it!

Saying goodbye.

Are we next?

Mr. Sherwood addresses the Seniors.

The Graduating Class of 1978.

Here he comes . . .

The Seniors show off their melodic voices.

For once I'm speechless.

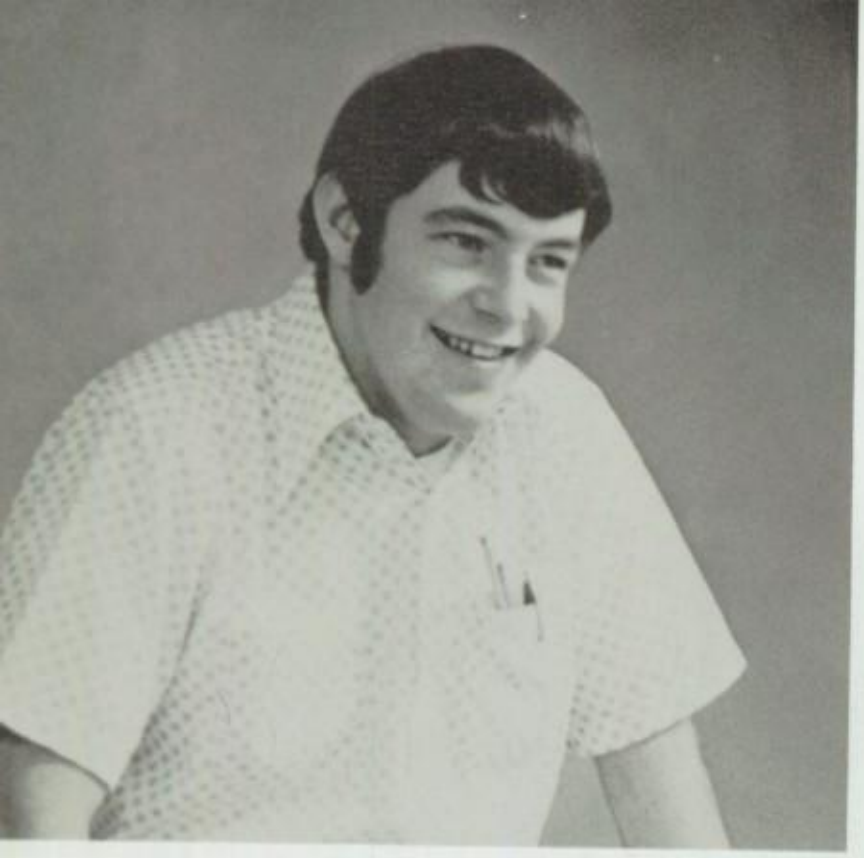
A special moment.

Honor guards.

The longest yard.

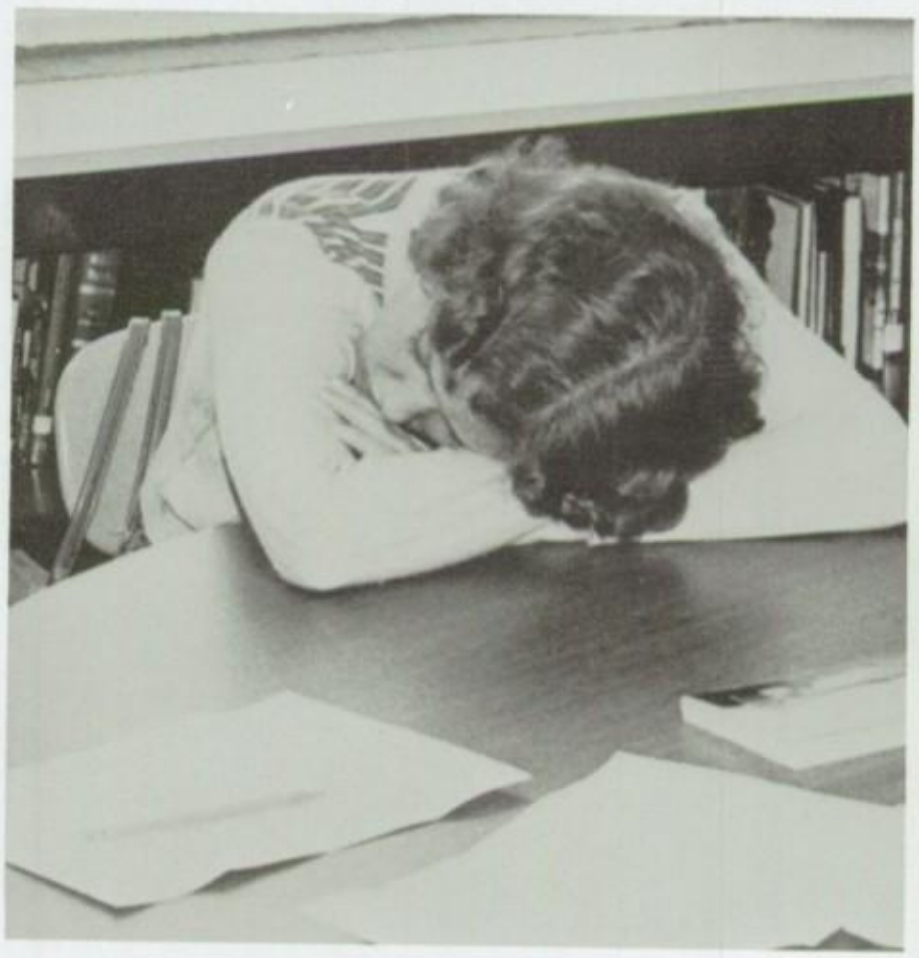
More honor guards.

Senior Girls' last song.



You're under arrest Siferd, for impersonating the Fonze.

It's got to be in there somewhere!



Karen catches 40 winks!

# WHY FINDLAY?

Going away to school has its advantages. But have you considered the advantage of going to a school near your home?

1. The people you've made contact with during your high school years don't lose track of you for four years. They can watch you grow from a high school graduate into a mature, thinking adult — and perhaps provide some of the guidance and experiences that help you along your way.
2. The people you'll meet at college — local teachers, principals, and business people — are all leaders in your community. And if you plan to live in the Hancock County community after graduation, these same people will be in poisition to hire you for your first job
3. You can live at home and save some of the high costs of education.
4. And if you live at home, you're more likely to keep up with a parttime job helping you make the money you'll need at college and the contacts you will need when you're ready to start your career.

How about it? Is it worth looking into?

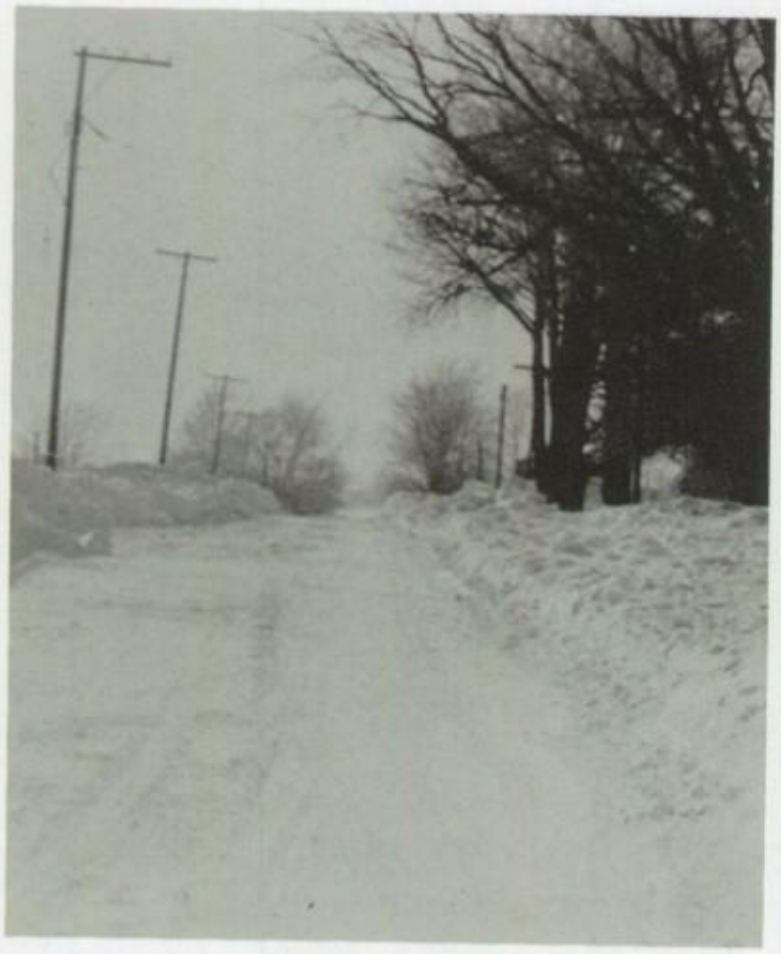
# WHO COULD FORGET. . .

Frozen cars!

Strong winds that moved Ottawa to another place.



Snow covered roads.

Stranded cars.

I-75 was closed by snow, trucks, and heavy equipment.

# THE BLIZZARD OF 1978?

Homes were cut-off from the outside world.

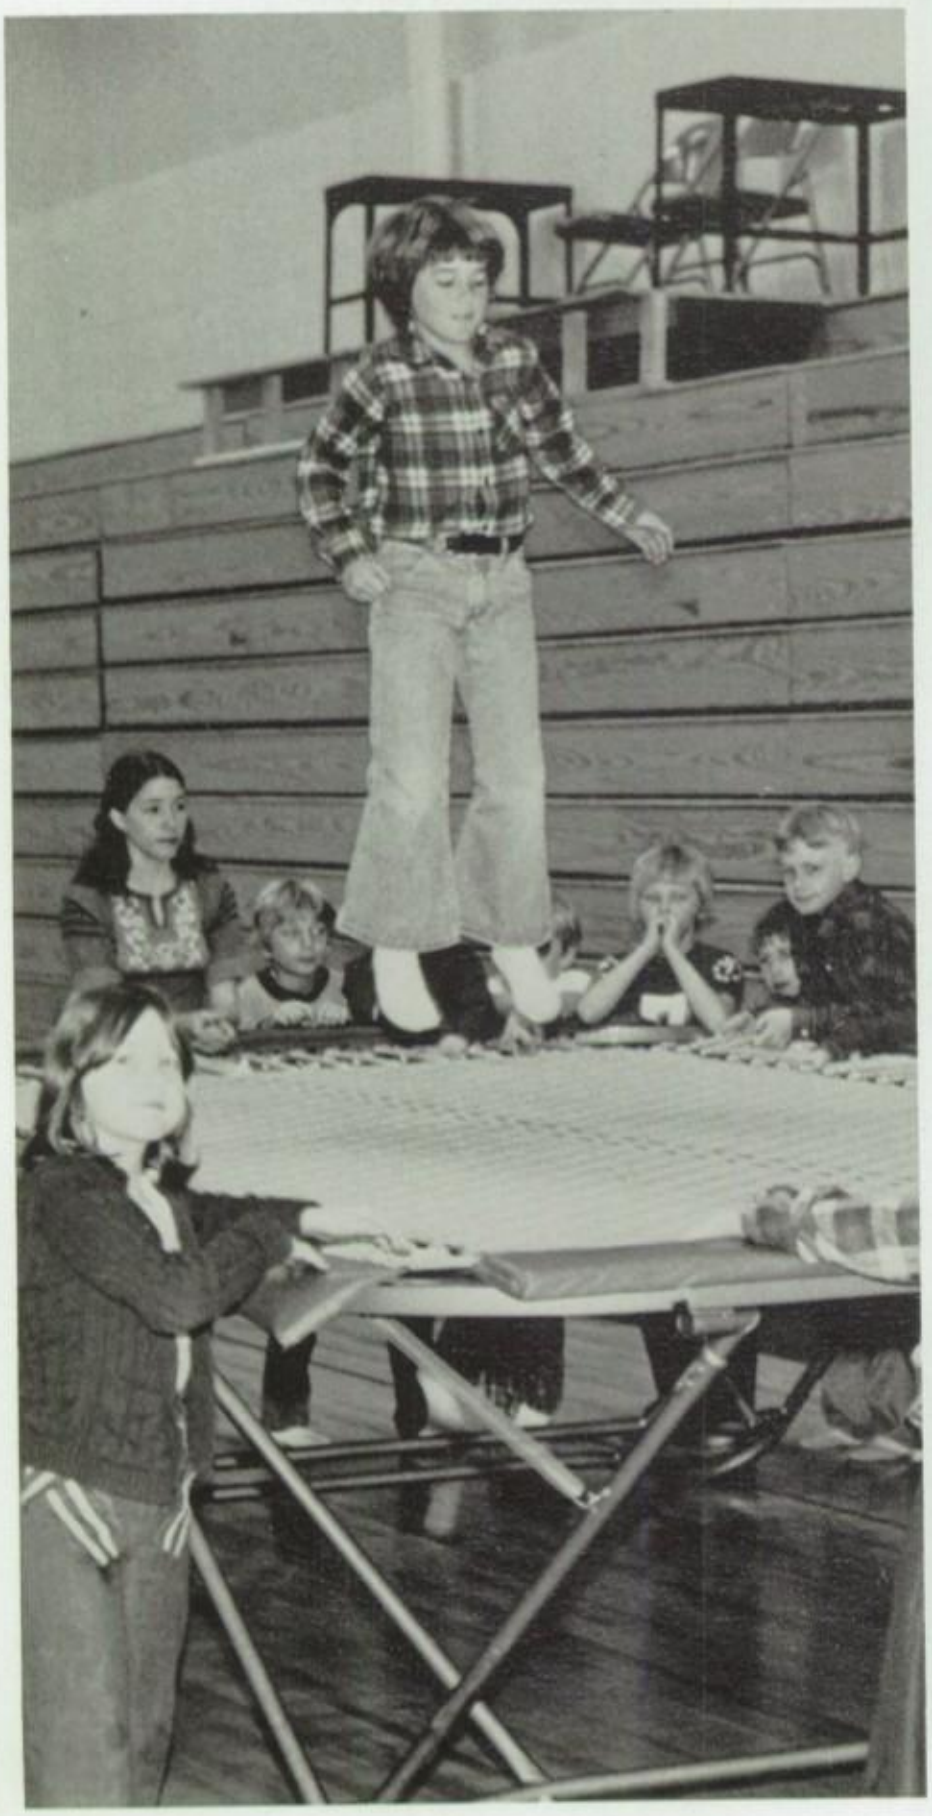
I-75 finally opens.

Eventually it all went away. All but the memory.

I could have had a V-8!

Step 1,2 . . . Step 3,4 . . .

It is not Halloween! We always dress like this!



He's having his ups and downs.

We're all in our places, with bright smiling faces.

A close encounter of a different kind.

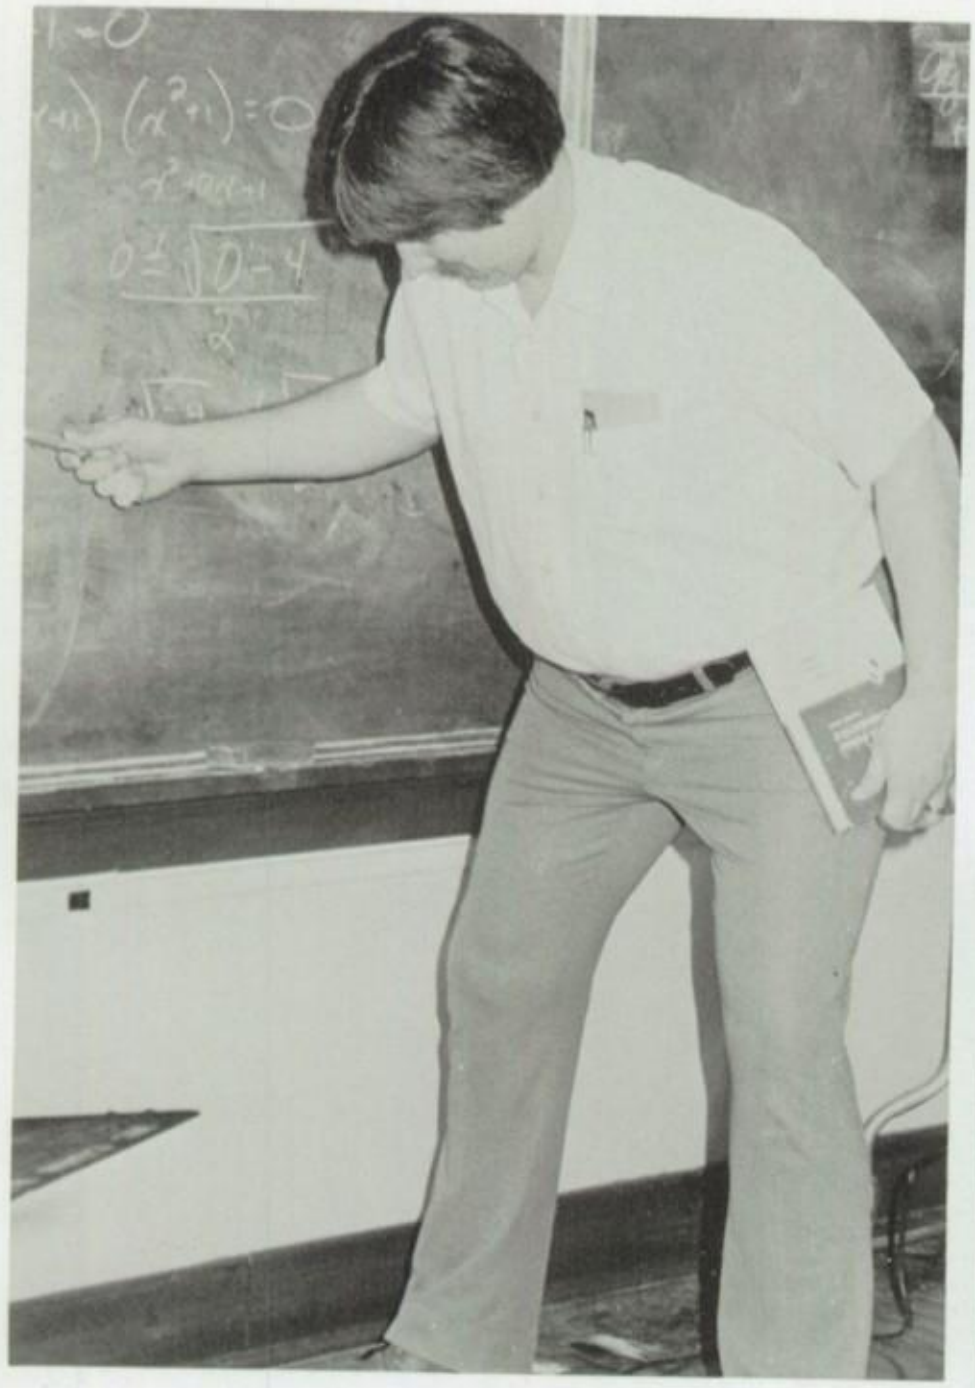
They're off!

Do you have an ouchy?

A meeting of the minds.

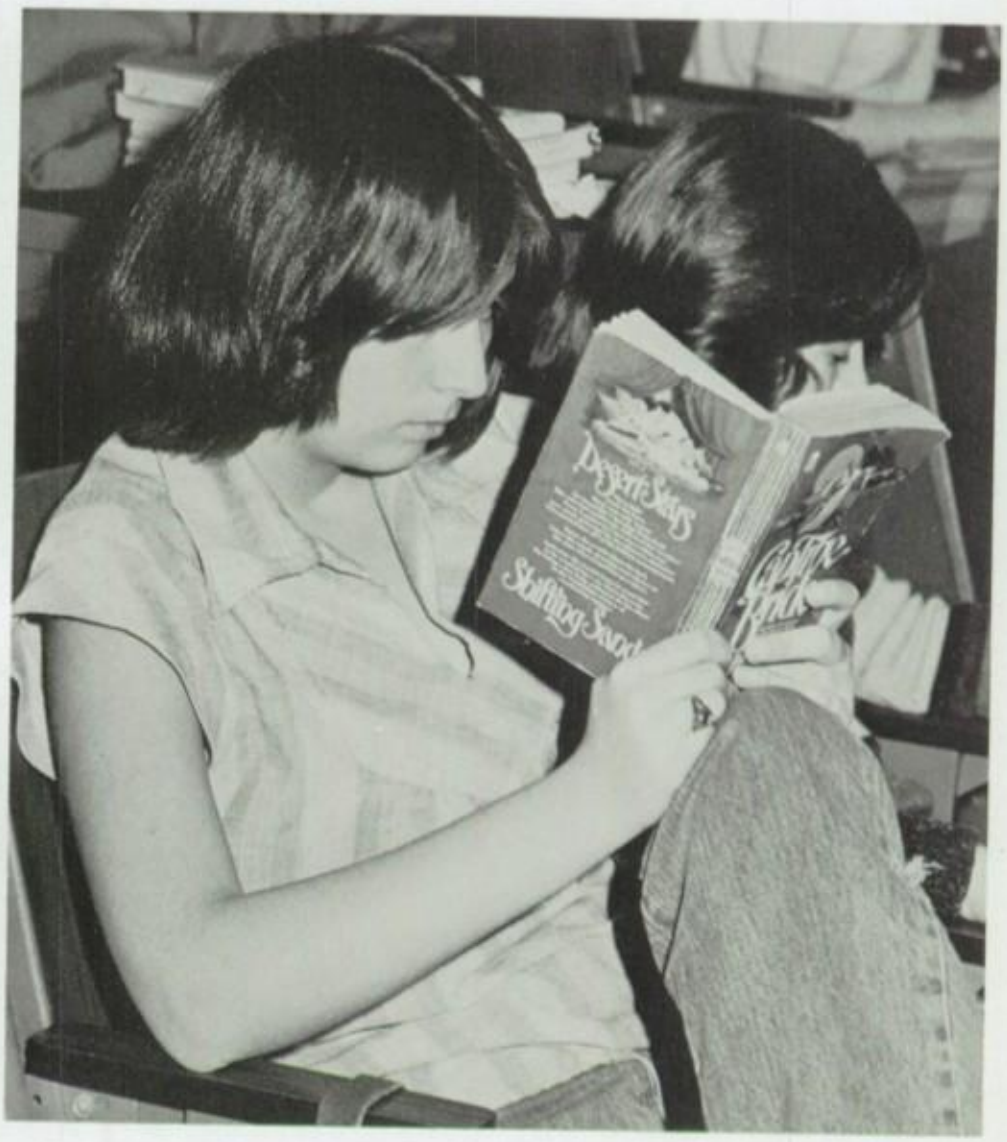
You wouldn't dare!

Up, up and away!



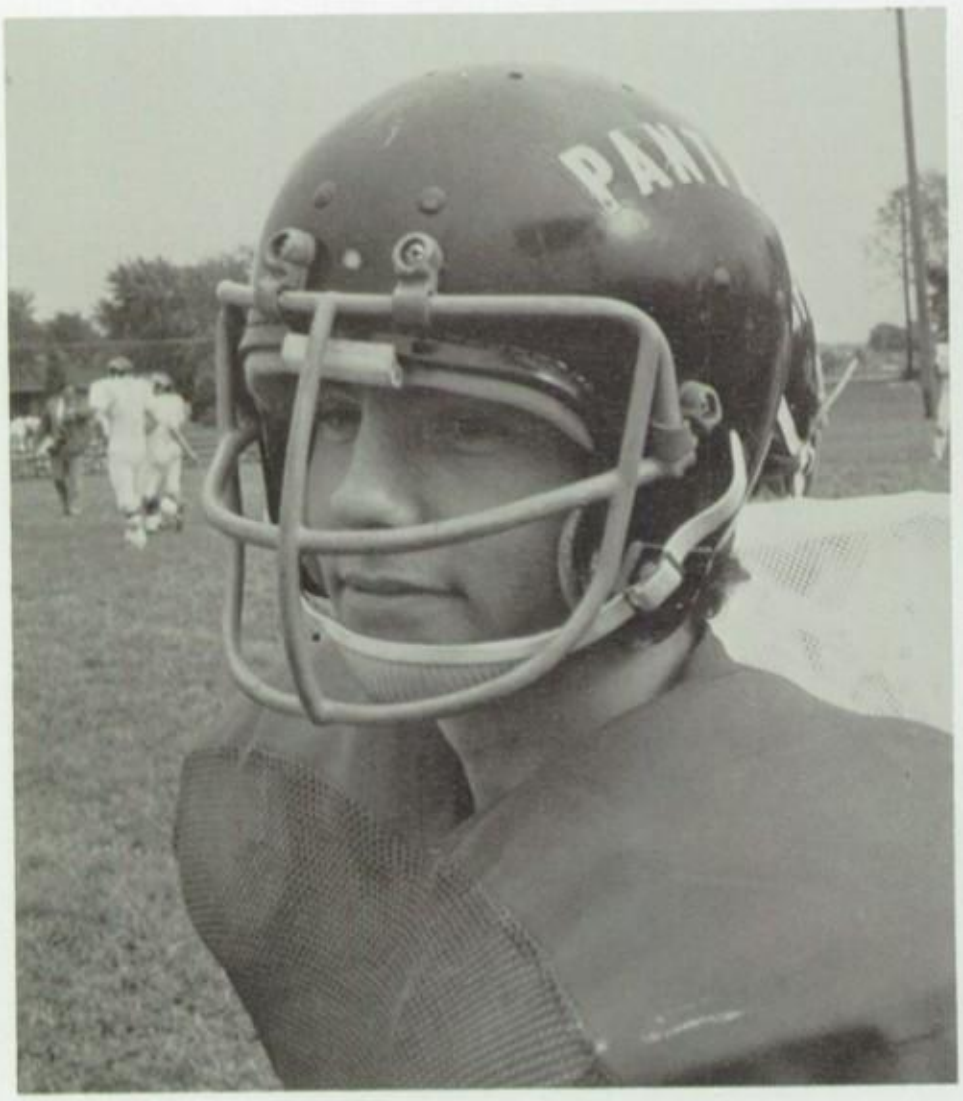
I think my leg is stuck!

Who am I listening to today?



Happiness is a good book.

. . . and you better not cheat this time!



The Dynamic Duo

Now, How did they do that in Close Encounters?

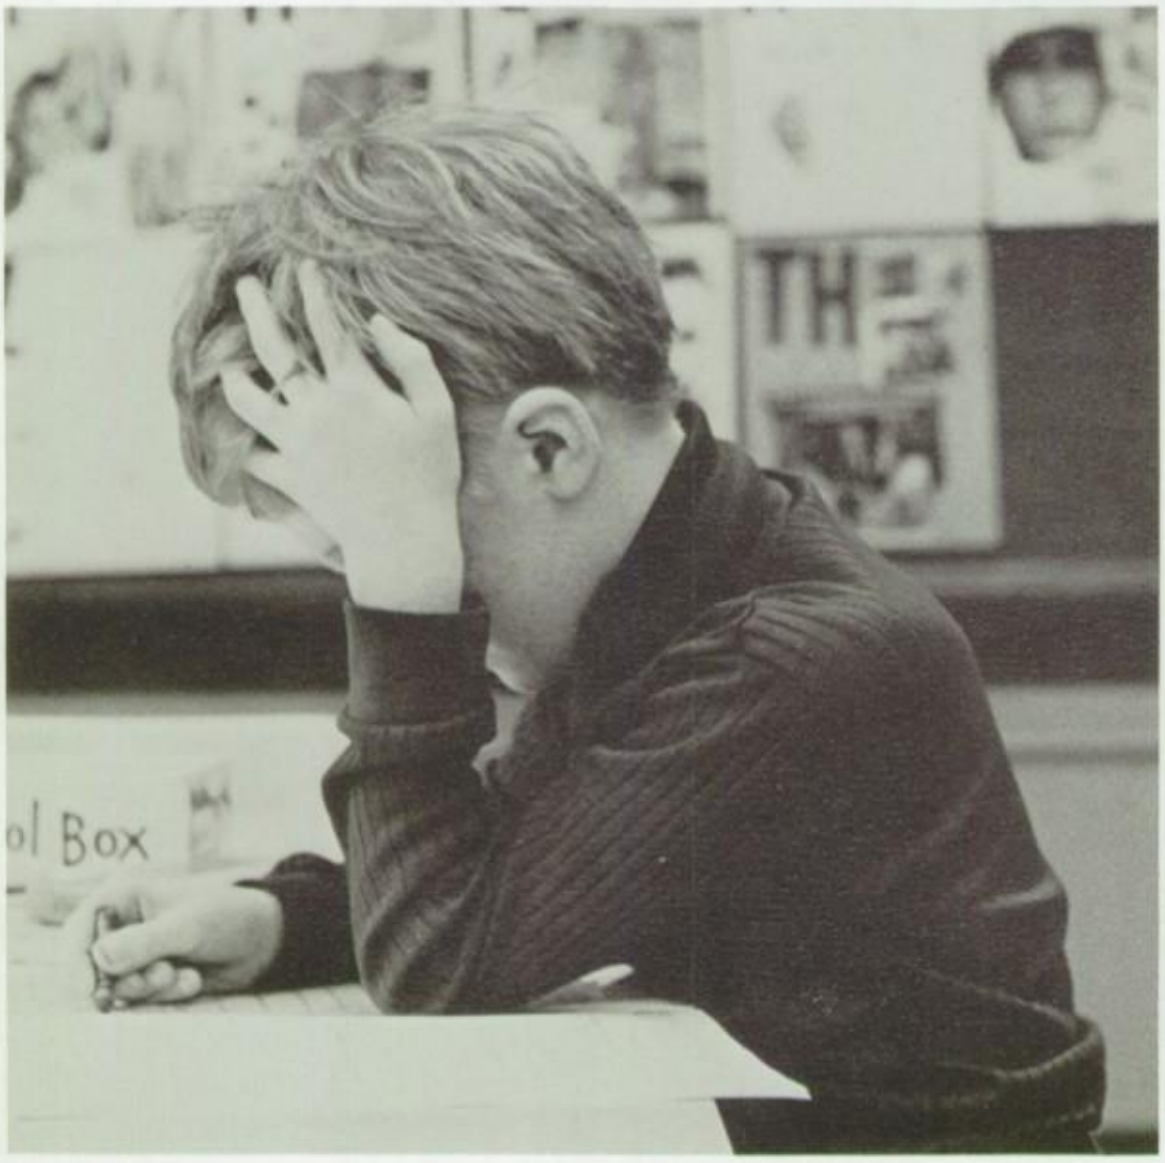
An "Educator" hard at work!

The Fearless Twosome.

Tell us the joke Maggee.

I hope this is for me!

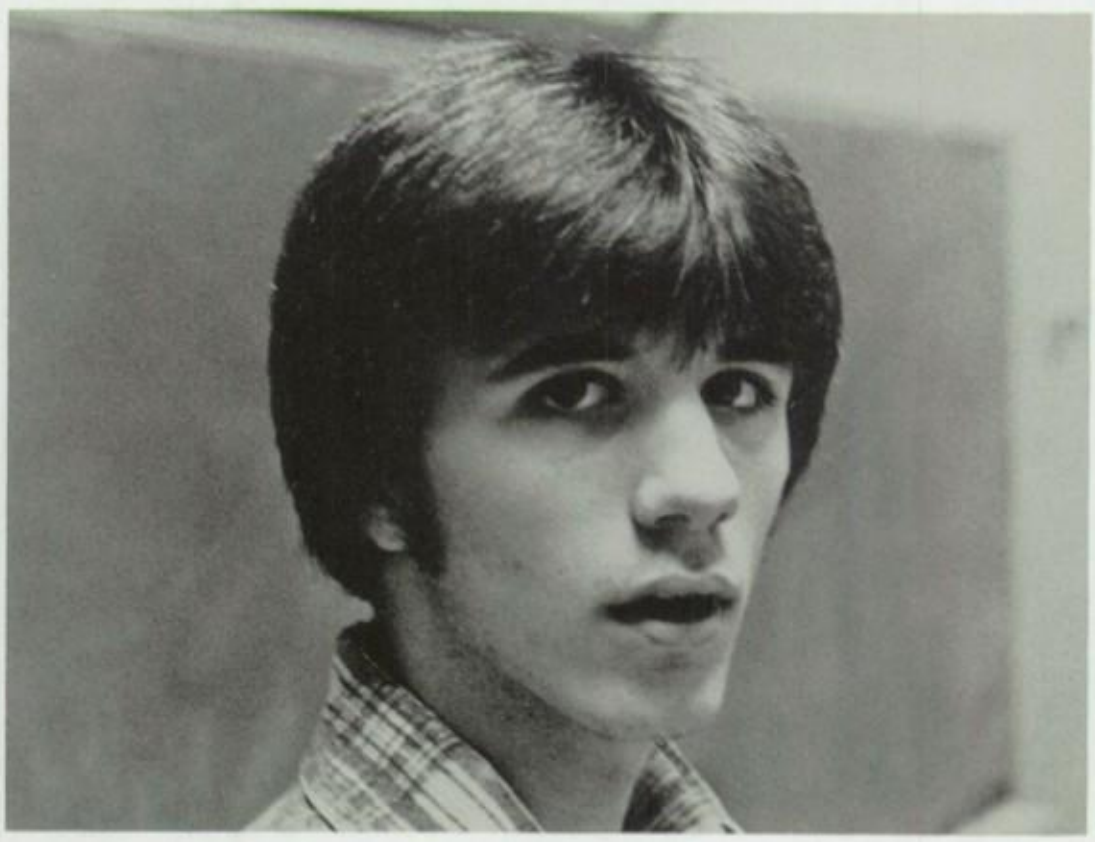
Something's pretty fishy about this picture.



I knew I should have studied last night.

Here comes Neubig Pa! Ready! Aim! . . .

Boy, they sure are dressed wierd!



That's all folks!
